

CORONAVIRUS EMERGENCY

Can You Help?

Have you checked that your neighbour is OK and has what they need (do not put yourself or them at risk)?

Do you need support or know someone who does?

Please contact a Parish Councillor who will arrange for one of the village volunteers to contact you.

All government guidelines will be followed. No close contact. No one will enter your home.

With effect from 2ND APRIL 2020

If your prescription is dispensed from Freshwell Surgery, you can now arrange for it to be available for collection at the **Community Information Point** in Great Bardfield (Thursdays, 10am-12noon). However following advice from the surgery to maximise social distancing the preferred method is for it to be delivered to your home by one of our volunteers. For more information contact Lynsi at lynsi.haywardsmith@greatbardfield-pc.gov.uk or 07515 398402
